Circumstances that are considered detrimental to a student's study plan could be but are not limited to:

- Change in study plan
- Transfer to a lower level of studies
- Increased tuition costs, particularly in case where deposits paid in advance to ACCM are non-refundable
- Increased duration of studies in Australia

There is no cost attached to applying for a transfer to another education provider; however, student will need to contact DHA to seek advice on whether a new visa is required. In instances where a transfer is granted, ACCM will process the refund application as per the ACCM Refund Policy and Procedures. For detailed information, please read ACCM transfer between register provider policy and Procedures and will be covered during the Student Orientation Program.

- 1.9. The National Code 2018 requires international students to complete their course within the duration specified on their eCoE except in limited circumstances. In these circumstances, ACCM will issue a new eCoE to extend the duration of study for the course. This can be done by filing the "Change of Personal Details Form" available from ACCM Website <https://www.accm.vic.edu.au/student-forms>
- 1.11. International Students can apply for Credit Transfer/Recognition of Prior Learning as per the information provided during the Pre-training Review/discussion prior to course commencement date. Where applicable students will be encouraged to enrol in additional subjects/unit of competency that may enable them to reduce the duration of their course - in which case a new eCoE will be issued with shorter duration. A detailed information is available in ACCM RPL and Credit Transfer policy and procedure available on ACCM website <https://www.accm.vic.edu.au/policies> and will be covered in the student Orientation Program.
- 1.12. International Students must maintain adequate health cover for themselves and any family member who are with them during their stay in Australia.
